To Gateway Healey Association Members:

GHA has had a club logo designed and approved. We have uploaded the logo to LandsEnd Business Outfitter. Members can now log on to Business Outfitter, order almost any shirt, polo, sweater, jacket, etc. that is available on the website. There are several options where the logo can be placed, ie left or right chest, on a sleeve, on the back, etc.

You have to select a shirt, select the logo and place it on the shirt, pay and you are done. There is an \$8.50 charge for the logo embroidering service, \$10.00 shipping plus cost of product. Look very carefully when you log on to your account as there is usually a code for free embroidering, or free shipping, or both.

Here is what you need to do:
